Our favorite route from Charleston (1 hour 30 minutes) :

1. Drive to Sewee Outpost in Awendaw for supplies + biscuits.
2. Enter our address into your device and follow the 'via Steed Creek Rd and SC-41N' option as it's the loveliest and most peaceful route through the Francis Marion. Note that you may drop signal often so keep your map open.
3. When you turn onto Aimwell Road, our address 1426, is 1/4 mile down on the right. You will pass our first gate and main field with an orange triangle, then look for the second gate and pull in before the white mailbox. We will open the gate for you when you arrive!
4. There are slightly faster routes to take! As you feel it.
5. Kind reminder, No dogs please!

If you drive the faster routes!
